

# PREVENTION OF CHILD SEXUAL ABUSE – SHOULD WE TALK TO CHILDREN ABOUT IT AND HOW TO DO IT?

Maria Keller-Hamela  
Fundacja Dzieci Niczyje

# WHY CHILDREN ARE AT RISK OF SEXUAL ABUSE?

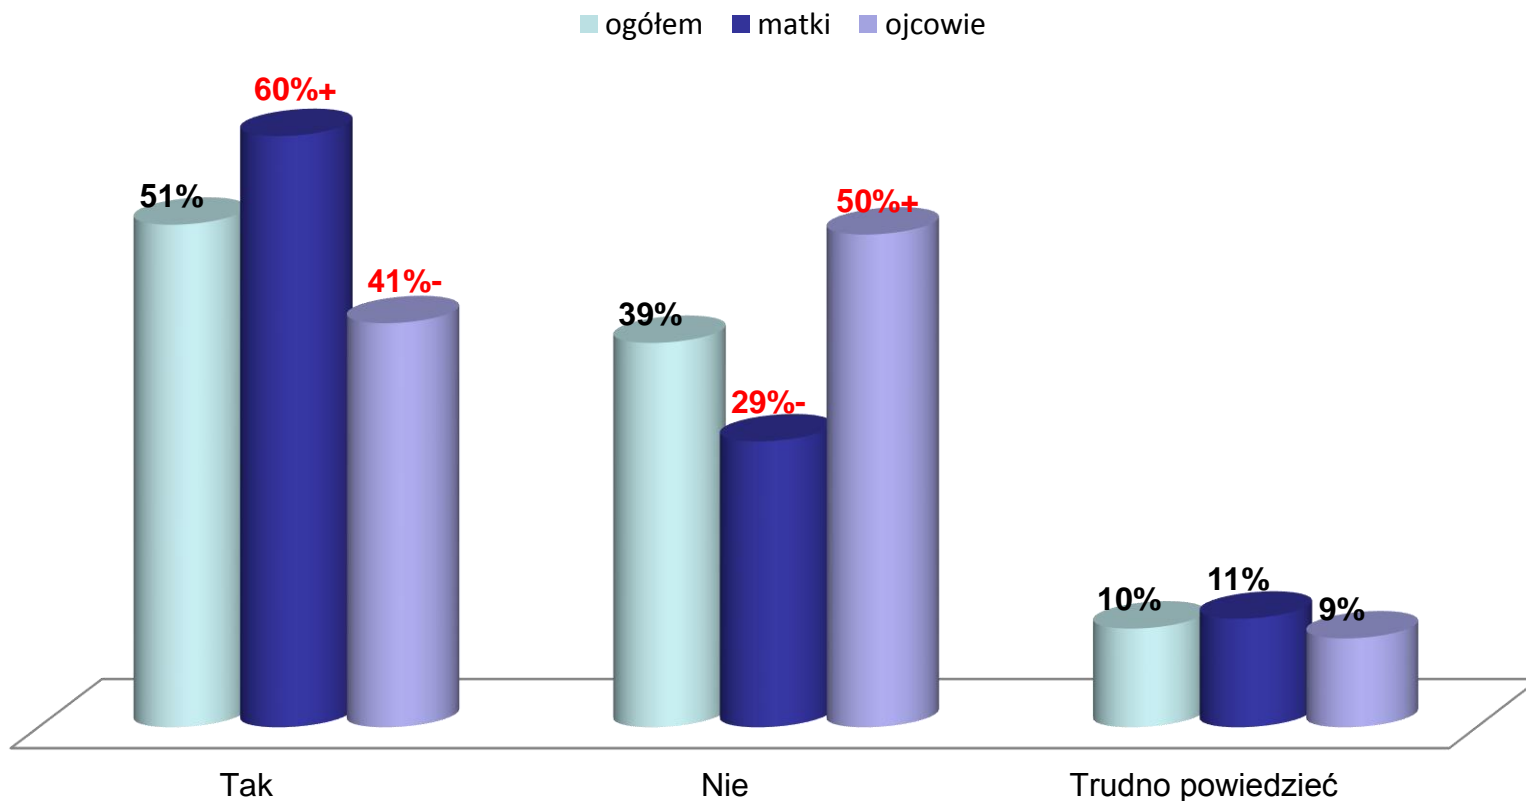

- Weak, inexperienced, dependent, little ability to resolve conflicts
- Non-internalized norms, limited protection
- Risky behavior, low self-control
- Limited autonomy - dependence, lack of choice
- Specific thinking

# TALK TO THE CHILD

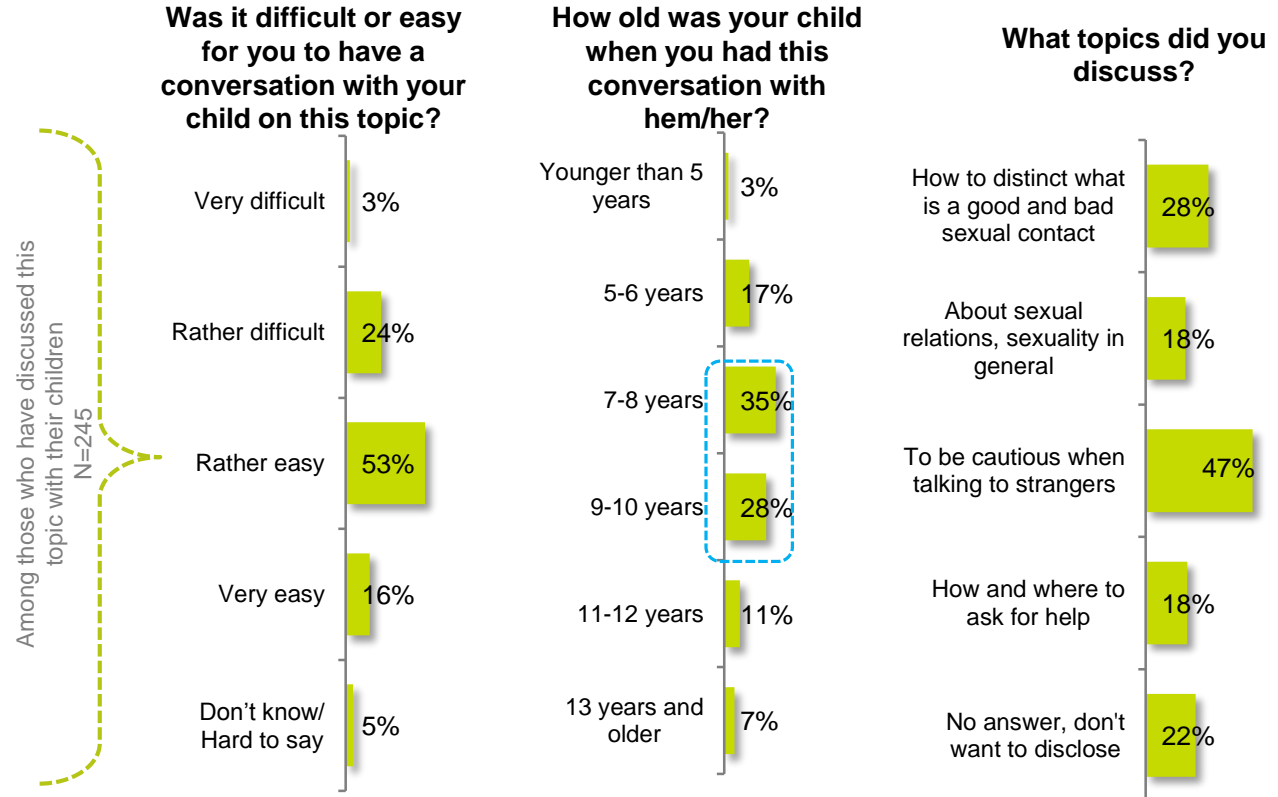

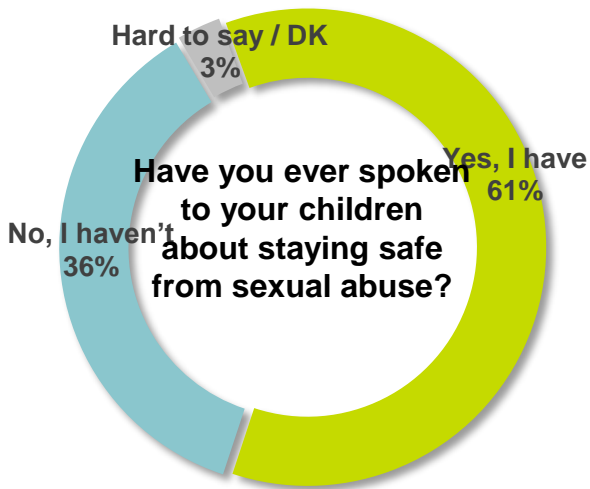

# TALK TO THE CHILD (POLAND)

Have you talked with the child about threats of child sexual abuse?

# Parents talking to children about staying safe from sexual abuse

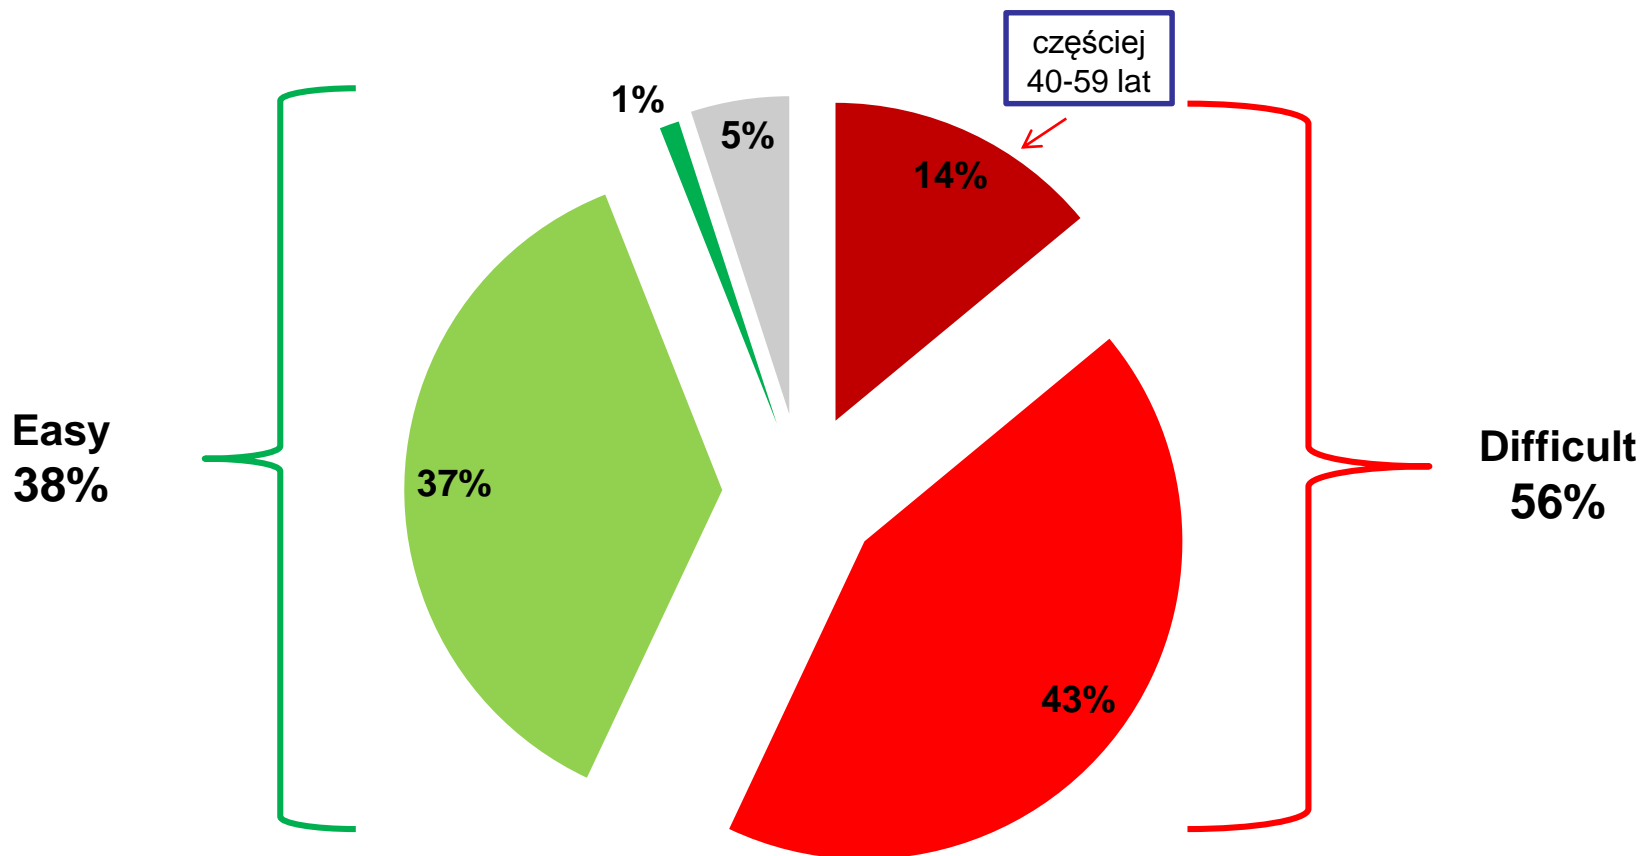

61% of the parents have discussed this topic to their children but more than 1/3 of the parents haven't done that. More than half of those who raised this topic with their children, think that the appropriate age of a child to discuss this is between 7-10 years.
