Establishment CENTRS DARDEDZE ANNUAL REPORT 2015

CENTRS DARDEDZE is non-governmental, non-profit organization working to prevent child abuse in Latvia and to provide direct help to children exposed to sexual, physical, emotional abuse and neglect.

VISION

Every child in Latvia is loved, protected, respected and cared for living in a safe environment free from all forms of violence or abuse and region.

GUIDING RULES

- Every child has a right to be safe from harm at all times.
- To take preventive, proactive and participatory role in child protection issues.
- Promote child participation in making decisions affecting their lives, valuing their opinions and views.

We actively work towards preventing violence towards children in all levels, and provide support and help when child abuse occurs.

MISSION

To provide programs and services that educate society (children, young people, parents, families, professionals and society in large), provide adequate support to victims of abuse and promote understanding that prevents all forms of child abuse in Latvia and region.

In order to fulfil our mission a professional team of our center works towards enhancing:

- Child's safety and protection at home (in family)
- Child's safety and protection at school
- Child's safety and protection in residential placements
- Child's safety online
- Child's safety in community

We believe that by emphasizing public opinion, educating society and by early identification of high risk and early intervention providing help to families with children at risk, we can prevent child abuse and protect our children from all forms of violence.
